Dear Scott and the Patriot Service Team,

I want to thank you for the excellent service that the Patriot Service Team brought to our church during the recent repair and replacement of our roof that had been damaged by a hailstorm this past summer.

You did a wonderful job of working with our insurance company making sure that the claim was processed correctly and timely. The schedule we had agreed upon was always kept and you took care of all the details.

It was a real pleasure in working with all of you, and thank you for taking care of us.

Sincerely,

A handwritten signature in cursive script that reads "Charlie Olson".
